

The Groves Masterplan

📍 Humble, TX

★ May 2021

Featured name

Welcome to the Naturehood... Where Residents Can Live Their Lives Inspired by the Outdoors

Photography by Melissa Franks from PlanOmatic

- **Designed the community based on 5 experience principals** including inspiring unplanned integrations
- Designed the community so **almost every home is within a quarter-mile of Madera Creek,**

which is the spine of the community

- **Lifestyle director** activates the spaces in the community and brings residents together
- **Some of the most creative pocket parks we have seen**, like a labyrinth or a nest to play in
