

# Contemporary Infill Townhomes Inspired by the Surrounding Neighborhood

## CW Urban's The Edith in Salt Lake City, UT

- **Ground level flex space** offers lots of living opportunities for this attached offering, such as a formal office and a suite for Airbnb.
- **Mixes plan widths and depth** in multiple buildings to **make best use of the site**.
- These homes include a **mix of garage sizes** with single-car, two-car tandem, and two-car side-by-side.
- **Outdoor living opportunities** are integrated into the home on the second and sometimes third levels.
